

FARM DIAGRAM: Show the distance between all buildings and indicate the value of farm personal property in each building.

A large grid for a farm diagram. The grid is 30 units wide and 30 units high. The word "NORTH" is centered at the top of the grid. The word "SOUTH" is centered at the bottom of the grid. The word "WEST" is written vertically on the left side of the grid. The word "EAST" is written vertically on the right side of the grid.
